

SAVE OUR LIBRARY

The council want to demolish Higham Hill Library to sell the land to developers to build flats. Our current library service will be moved to a community 'hub' on Priory Court Estate which hasn't been fully planned and could be subject to changes once the current library is demolished. Higham Hill Library is a light, airy, welcoming building which has been well used and much loved by generations of families for over 85 years.

PLEASE SHOW YOUR SUPPORT

1. Sign the petition
